

## TOPCARE AFTER CARE

**FINE** for FINE AND LIMP HAIR.

### C1-VOLUMISING SHAMPOO.

Gently cleanses. Makes hair easier to comb and styles last longer. The active volumising ingredients, AMONICARE COMPLEX and Baobab extract, give the hair exceptional body, shine and lightness.

### T2- VOLUMISING MOUSSE.

Gives hair volume, support and shine and makes it easy to comb. AMONICARE COMPLEX and Baobab extract internally strengthen the hair, creating, long-lasting strength, volume and shine.

### P3-BODY-BUILDING HAIRSPRAY

Formulated with AMONICARE COMPLEX and baobab extract, helps to create extra hold, volume, body, shine and protection.

**LISS** for FRIZZY and STRAIGHT HAIR

### C1-STRAIGHTENING SHAMPOO

Formulated with AMONICARE COMPLEX and fruit acids, to delicately cleanse and relax the root fibre, making the hair easier to comb. Eliminates frizz and keeps the hair healthy looking, smooth and shiny for longer.

### T2- NOURISHING SMOOTHING CONDITIONER.

Smoothing, nourishing conditioner formulated with AMONICARE COMPLEX and fruit acids. Relaxes the root fibre and straightens frizzy hair, making it shiny and easy to comb. Also ideal for creating a "Poker Straight" effect on fairly straight hair.

### P3- STRAIGHTENING-MIKRO EMULSION.

Ideal for straightening, softening and improving the hair structure from roots to ends. Makes the final smooth effect last longer and keeps hair more elastic and shiny

# TOPCARE AFTER CARE

**REPAIR** for TREATED and SENSITIVE HAIR

## **C1- RESTORING SHAMPOO**

Gently cleanses, helps to create visibly improved volume and shine. Contains Aminocare Complex and Bamboo extracts that penetrate the hair, strengthening it from within to boost volume and make the hair more glossy, smoother and healthier looking.

## **T2-CONDITIONER**

Formulated with Aminocare Complex and Bamboo /Jojoba/Avocado and Linseed extracts to help repair and protect the hair fibre and create an incredible shine.

# TOPCARE AFTER CARE

## MOISTURE for NORMAL/DRY HAIR

### C1-SHAMPOO

Cleaned the hair soft and make it better to comb. With the amonicare complex and the Indian extracts makes the hair hydrating and feed the hair carefully.

### T2-CONDITIONER

Nourishing and moisturises, created softness and manageability AMONICARE COMPLEX and INDIAN PLANT extracts care for the most sensitive parts, leaving the hair totally moisturised, shiny and soft as silk.

### P3-TWO PHASES EQUALIZER

Instantly evens out porosity. Contains AMINOCARE COMPLEX and INDIAN PLANT extracts to nourish and provide softness and shine throughout the hair. Can be used on dry hair to revitalise and make styling easier everyday.

## NEUTROL for every Hair Type.

Neutral, slightly acid shampoo for frequent washing. Suitable for all hair types. Leaves a soft scent in the hair, and makes it light, easy to comb, shiny and well-conditioned.

# TOPCARE AFTER CARE

**COLOR-SAVE** for coloured Hair

## **PHERFECTION-1 SHAMPOO:**

This advanced formula maintains the perfect natural pH balance and moisture levels of the hair and scalp. Ideal for all types of colour treated hair, is rich in wheat protein and Heliogenol to help to keep hair easy to manage and in perfect condition.

## **PHASE-2 AFTER COLOR EQUALIZER:**

Use to remove development tint, helps to prevent colour fade by cleansing the hair and scalp of impurities and delicately locks the colour molecules into the hair. Enriched with natural extracts for added softness and excellent conditioning.

## **PHASE-3 PH BALANCER:**

The perfect after colour conditioner, restores the hair to a normal pH level in just 1 minute. Has a strong re-hydrating action, moisturising the hair and the scalp. protects the hair cuticle to help provide added flexibility, body and shine.

## **PHERFECTION-2 PROTECTIVE MASK:**

Containing heliogenol, is the ideal way to care for coloured hair: helps colours to last longer and protects the hair, making it more resistance to the effects of frequent shampooing. The active ingredients contained in intensive mask help to make the hair smoother and provides protection from atmospheric agents.

## **PHASE-4 SPRAY REFLEX:**

Enhances the hair's reflective properties, optimizing the cohesion of the plates forming the hair cuticle. Provides flexibility and freedom of movement, protecting colour-treated hair from aggressive external agents.

## **PHASE-1 ANTI-STAIN SKIN CREAM:**

The products is invaluable in preventing the formation of stains on the skin. Its camomile extracts gives it a delicate skin lenitive action.
